INSTRUCTOR: Demonstrate the proper one-handed grip and the one-handed standing position.

- Ensure that the support hand is placed flat against the chest.
- Demonstrate that the gun can be rotated (canted) slightly
- Show that the stance has not changed from the two-handed position.

Have students focus on attaining a proper body position before adding the pistol.

Check for the following:

- Feet shoulder-width apart with body weight evenly distributed
- Body and head comfortably erect
- Proper one-handed grip
- Shooting arm fully extended
- Non-shooting hand flat against chest

The certificate is framed by a blue border with decorative corner tabs. At the top center is the NRA logo, featuring an eagle with a shield, holding an olive branch and arrows, with the text 'NATIONAL RIFLE ASSOCIATION OF AMERICA' and 'INCORPORATED 1871'. Below the logo, the text 'NATIONAL RIFLE ASSOCIATION OF AMERICA' is printed in a large, serif font. Underneath, it says 'certifies that' in a smaller, italicized font, followed by the name 'BRETT SIMON' in a large, bold, serif font. Below the name, it says 'has successfully completed the' in a smaller, italicized font, followed by 'NRA Basic CCW' in a bold, serif font. A block of text lists the topics covered: 'Topics Covered: Firearm Safety, Pistol Nomenclature and Selecting a Pistol for Self-Defense, Ammunition Knowledge and Defensive Ammunition Selection, Basic Defensive Pistol Skills, Drawing from Concealment, Loading and Stoppage Remediation, Mindset, Carry Modes and Pistol Concealment, Firearm Cleaning, Sport Shooting and Training Activities'. Below this, there are two checkboxes: 'Non NRA Legal' and 'NRA Course of Fire'. At the bottom, there are three main sections: 'INSTRUCTOR SIGNATURE' with the name 'JOHN DOE' and 'INSTRUCTOR PRINTED NAME' below it; 'INSTRUCTOR I.D.' with the number '1000000' and 'DATE' with 'May 19, 2018' below it; and a signature of John C. Frazer with 'JOHN C. FRAZER, SECRETARY' and 'NATIONAL RIFLE ASSOCIATION' below it. At the bottom right, it says 'SERIAL NUMBER: 150164'.

**1. Instructor
Candidate:
Malfunction
Clearing**

- **Live Fire**
- **Rounds: 12**
- **Yards: 5**
- **Position:
Standing**
- **Grip: 2-
Handed**

Candidates load 2 loading devices to 6 rounds each; 2 spent casings mixed in (4 total), per magazine

Objective: Learning to clear common malfunctions (Note: cover garment should still be on from the student drills and will remain on for the entire course of fire.)

Procedure:

- **TC:** Describe and Demonstrate: tap, rack, assess (most malfunctions)
- **TC:** Describe and Demonstrate: Lock, remove mag, tuck mag, rack slide several times , reinsert magazine, or retrieve fresh magazine, rack, assess (double feed)
- Candidates load 2 magazines , mixing in 2 pieces of spent brass with 6 live rounds in each magazine
- Load and Make Ready.
- On the command of "Threat" draw, fire 2 rounds, scan and holster (x6) or until everyone is empty. Candidates fix stoppages as they occur. (Tap, Rack, Assess; Lock, remove mag, rack slide several times , reinsert magazine, or retrieve fresh magazine, rack, assess: if double feed occurs.)
- Unload and show clear.
- Slide forward and holster

2. Instructor Candidate: Getting off the X

- Live Fire
- Rounds: 12
- Yards: 5
- Position:
Standing
- Grip: 1-
Handed

Candidates load 2 loading devices to 6 rounds each

Objective: Learning to draw and move.

Procedure:

- **TC:** Describe and Demonstrate: drawing and stepping diagonally to the left while firing two shots. Repeat, stepping diagonally to the right. It is imperative that the draw and the step occur at the same time.
- **TC:** When calling this drill repeat the direction that the candidates are stepping multiple times. Reset the line before firing again.
- Load and Make ready.
- On the command of "Threat" candidate draw while stepping diagonally to the left, fire 2 shots, scan, holster, return to original position. (X3)
- On the command of "Threat" candidate draw while stepping diagonally to the right, fire 2 shots, scan, holster, return to original position. (X3)
- Unload and show clear.
- Slide forward and holster

3. Instructor Candidate: Use of Cover

- Live Fire
- Rounds: 18
- Yards: 7
- Position:
Standing
- Grip: 2-
Handed

Shooters load 3 loading devices with 6 rounds each

Objective: Learning the safe and effective way to utilize cover

Procedure:

- **Instructor:** *Describe and Demonstrate:* Proper use of Cover
 - Arm's length away from barricade
 - Lower body completely behind barricade
 - Do not use barricade as a rest
 - Remind students of sight offset
 - **Remind candidates to keep the muzzle pointed downrange and finger off the trigger when transitioning sides**
 - Allow for enough room between students. If necessary, split into smaller groups.

Safety Note: Candidates must keep the firearm pointed downrange with their finger of the trigger while transitioning sides. If a candidate points a gun at another individual, they will be removed from the course.

- Have the students practice drawing the gun from behind cover unloaded.
- Load and Make ready.
- On the command of "Threat" draw, fire 2 shots, scan and holster (x3 **strong side** of barricade)
- On the command of "Threat" draw, fire 2 shots, scan and holster (x3 **support side** of barricade)
- On the command of "Threat" draw, fire 2 shots from either side of the barricade, candidates switch to the opposite side of the barricade engage the target with two rounds, students then re-engage the target from the original side, scan and holster
- Unload and show clear.
- Slide forward and holster
